

CABIN HOUSING INFORMATION

Mt. Meadows has a cabin group for boys and girls. These are closest to the bathhouse for each. They have some cabins that may be used for either. These cabins have access to their own close by bathhouse. We plan to fill the cabin groups first. ***The cabins have room for one extra cot in each if needed.*** Unite will provide a spreadsheet to fill out with cabin groupings.

Teachers and staff will be housed in staff housing separate from students. These rooms have 2 beds in each.
